

CITY OF OTTAWA

301 West Madison Street

Ottawa, Illinois 61350

June 23, 2011

To: The Times/ WCMY/WRKX/City Hall

From: Ottawa Water Department

The annually fire hydrant flushing and maintenance program will be starting Monday June 27, 2011. This may cause rusty water in the flushing area. If rusty water occurs flush through your the cold water lines until it clears.

Week 1.

Monday June 27,

- East of the Fox River near the Ottawa Regional Hospital east to Ottawa Industrial Park

Tuesday June 28,

- Champlain Street, Norris Drive north to Bellevue Ave.
- Bellevue Ave from Champlain Street to Guion Street all intersecting streets and Gracefield Subdivision.

Wednesday June 29,

- East of Columbus Street from Circle Drive north to Etna Road and all of Turnberry Apartments

Thursday June 30,

- North of I-80 to Dayton Road, Columbus Street/Route 23 east to Champlain Street.

Friday July 1,

- Hydrants west of Columbus Street from Reynolds Manor Drive north to Dayton Road.

The program is approximately 25 days so updates will be weekly.
