PRESS RELEASE

On May 1st, 2009, The Ottawa Police Department had its dedication of the Prescription Pill and Drug Disposal mailbox (P2D2). The program has been up and running for a month now and as of today, the approximate weight of medications both controlled and non-controlled that will not enter our water or treatment facilities through improper disposal is **15 pounds**. I would like to thank all those who have participated to date and as a reminder, this is a no questions asked disposal program. The mailbox is in the lobby of the police station and is accessible 24 hrs a day.
