EXERCISING AND FITNESS

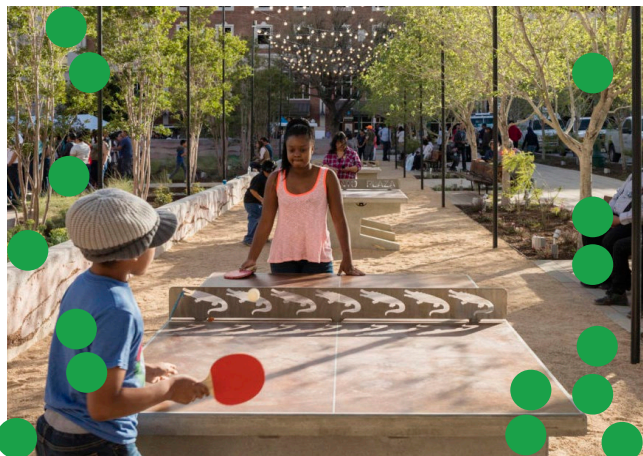

PLAYING GAMES

PLAYING MUSIC

SOCIALIZING

ENTERTAINMENT

WATER PLAY

LEARNING HISTORY

SCREENING MOVIES

EXPLORING ART AND CULTURE

DINING

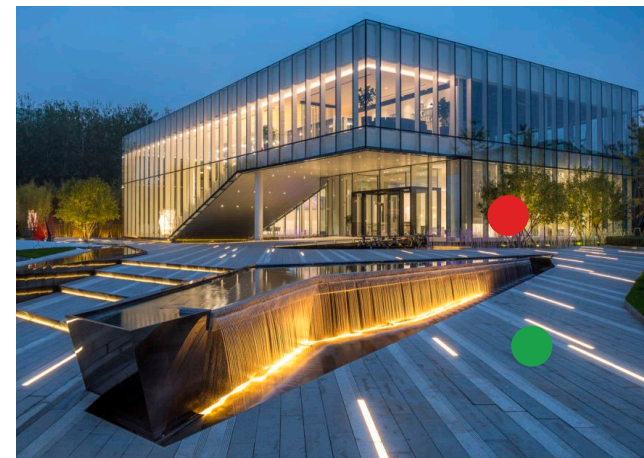

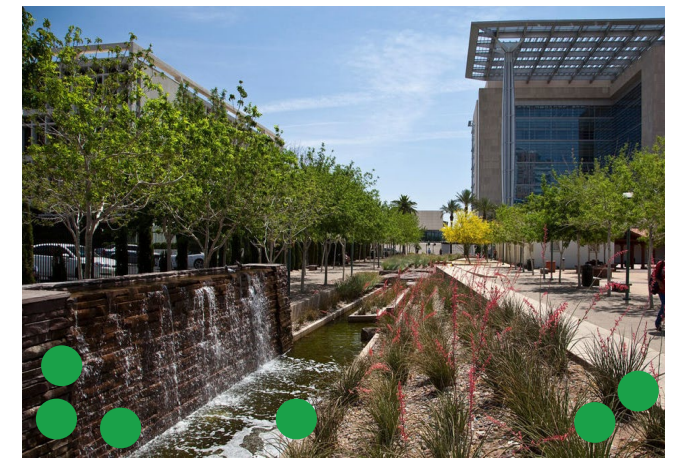

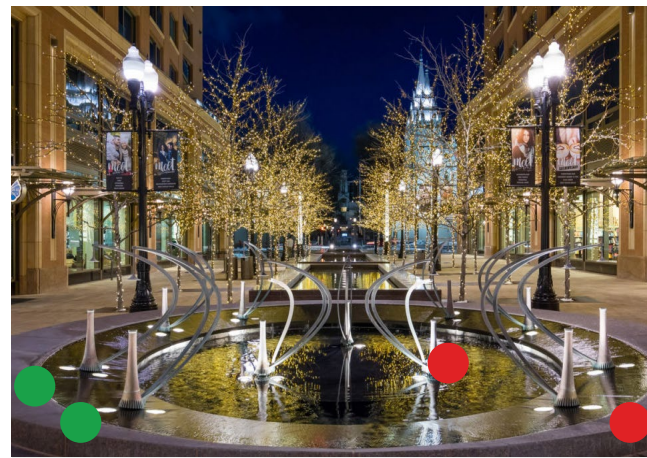

SHOPPING

RESTING AND RELAXING

WORKSHOP SUMMARY STYLE AND VIBE

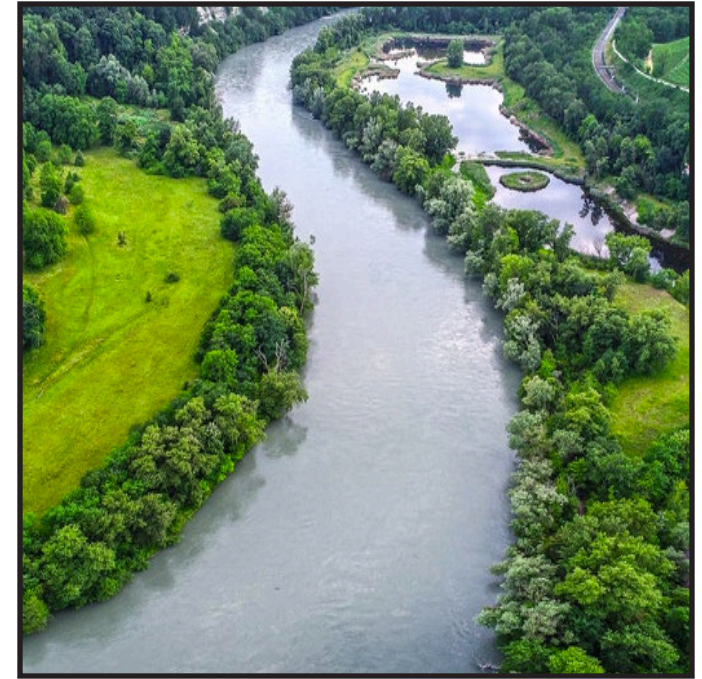

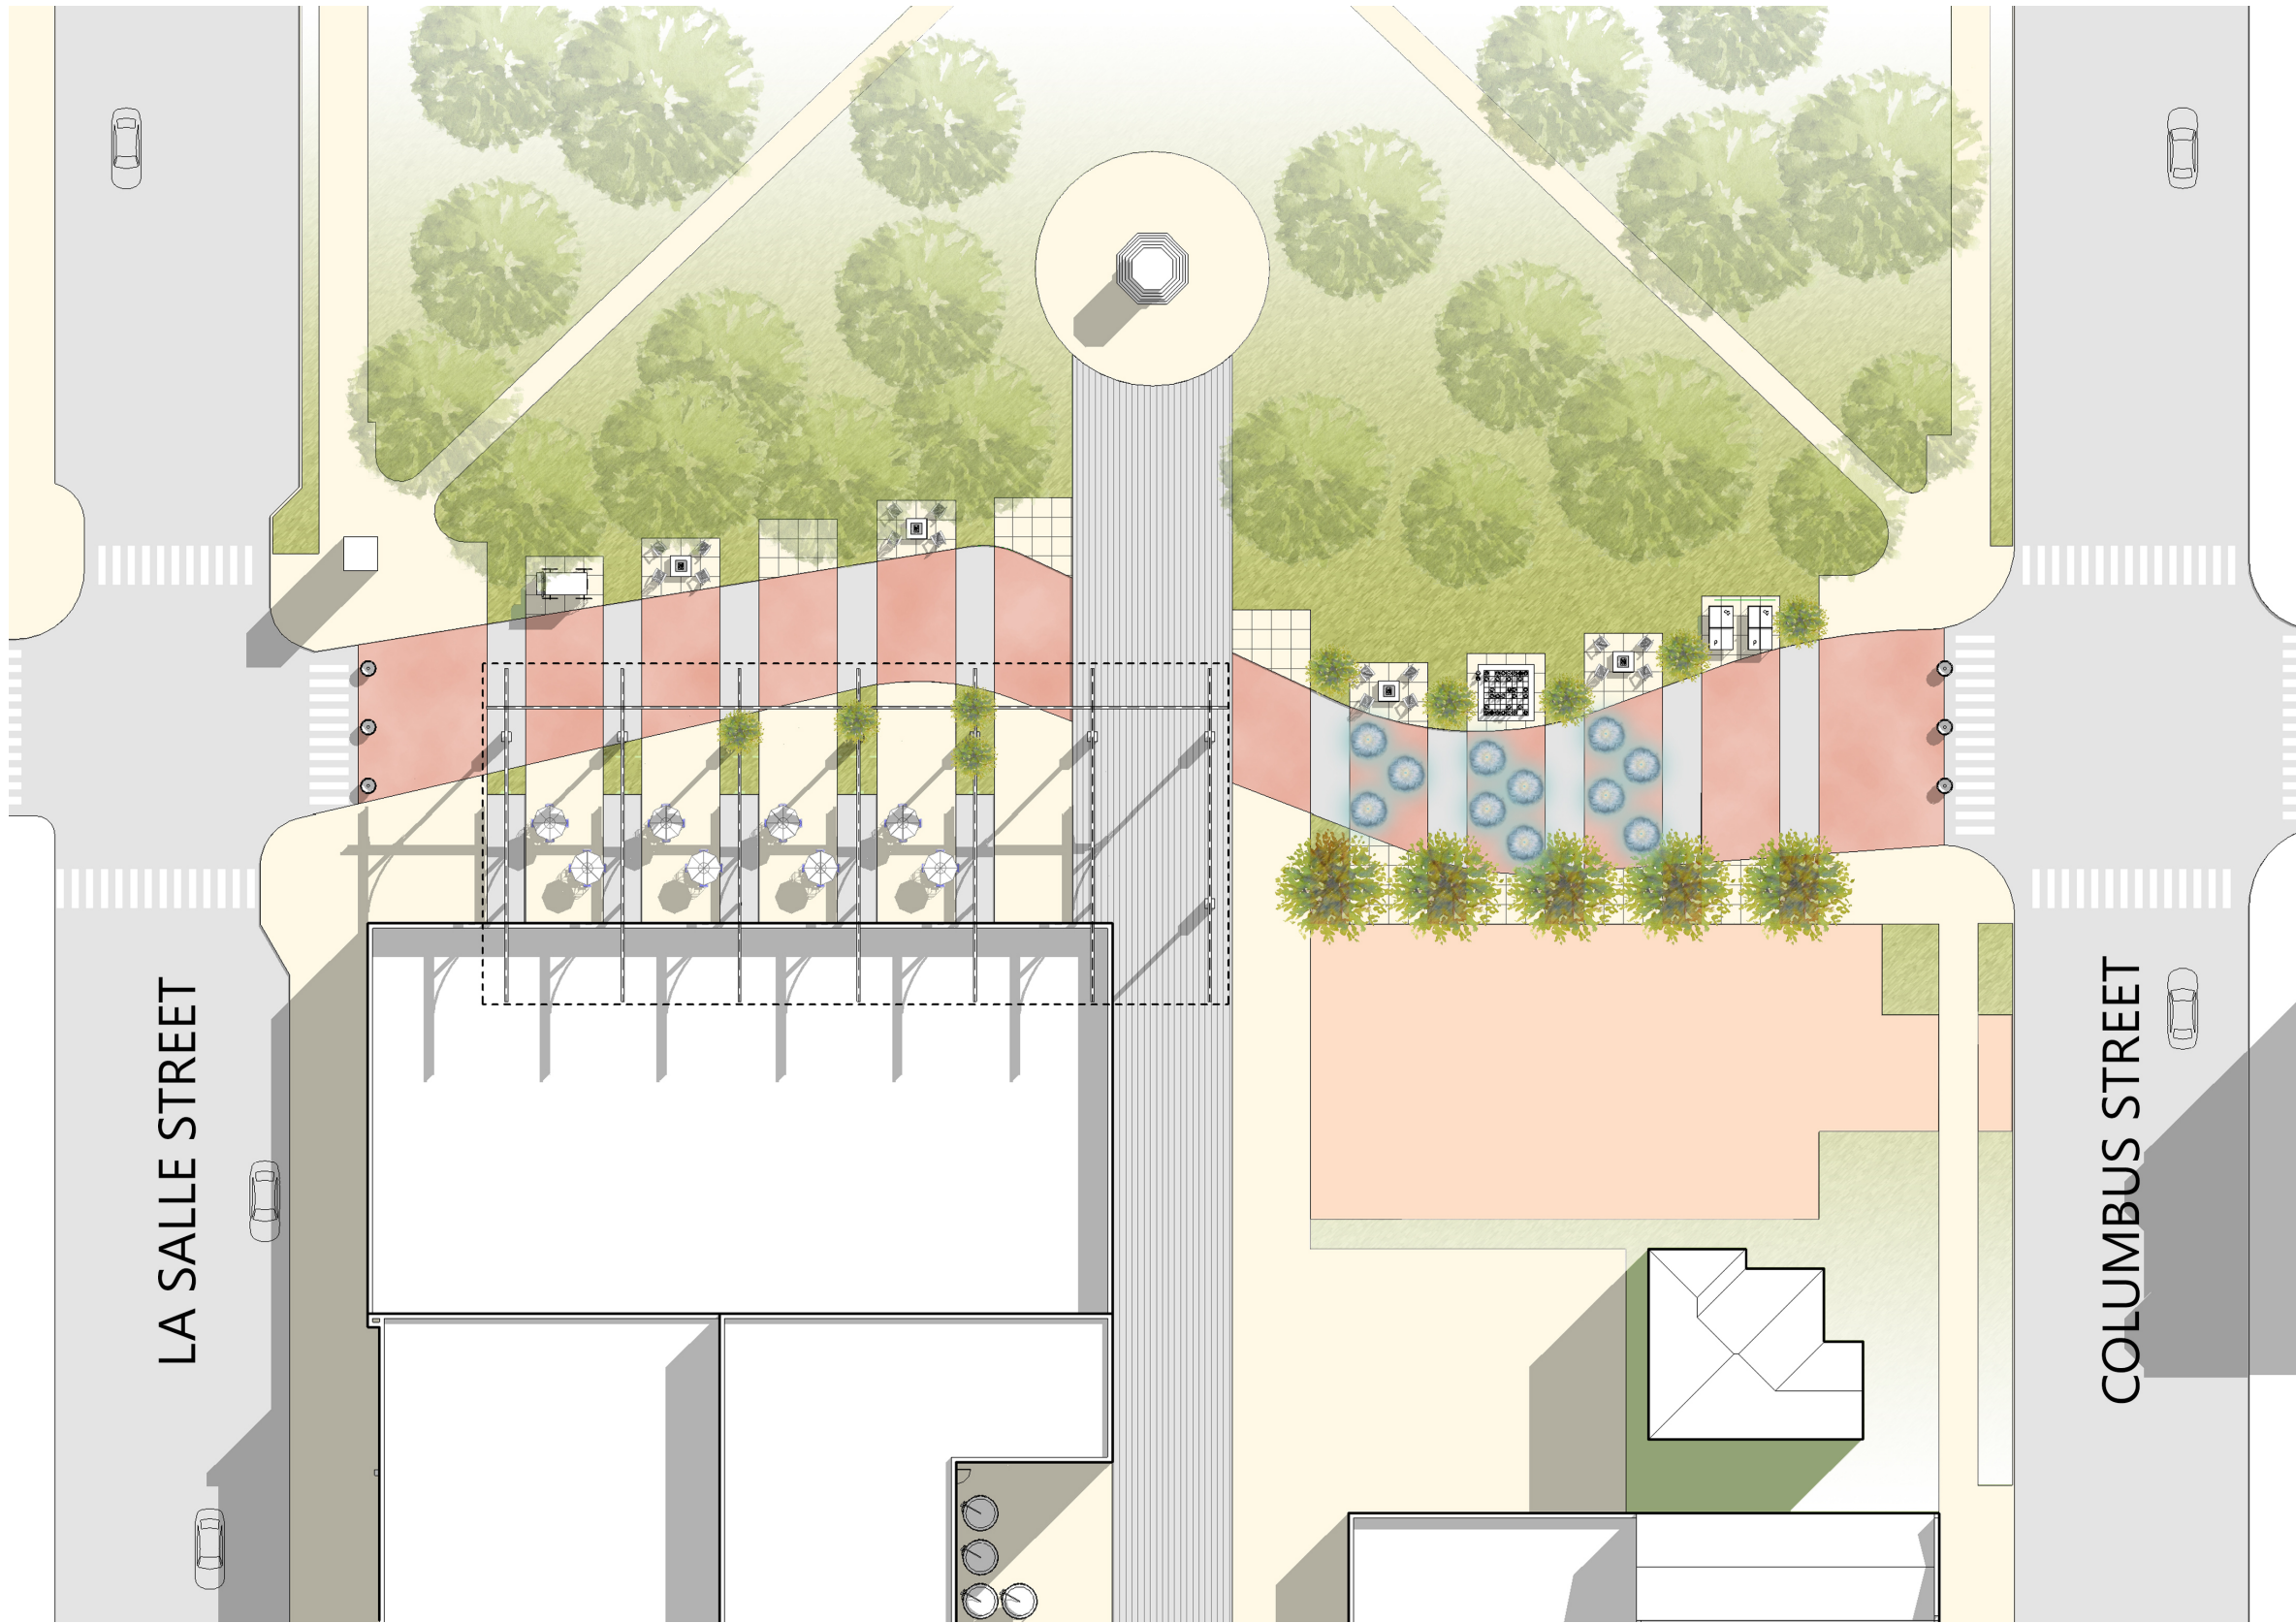

“NATURE INSPIRED” + “SOFT EDGES”

Inspired by the curving geometry of a river, this option creates a meandering pedestrian experience from one end of the plaza to the other. Multi-purpose paved “patios” line the plaza path with landscaping elements in between as a means to integrate the park and plaza as one place.

HISTORY AND STORYTELLING

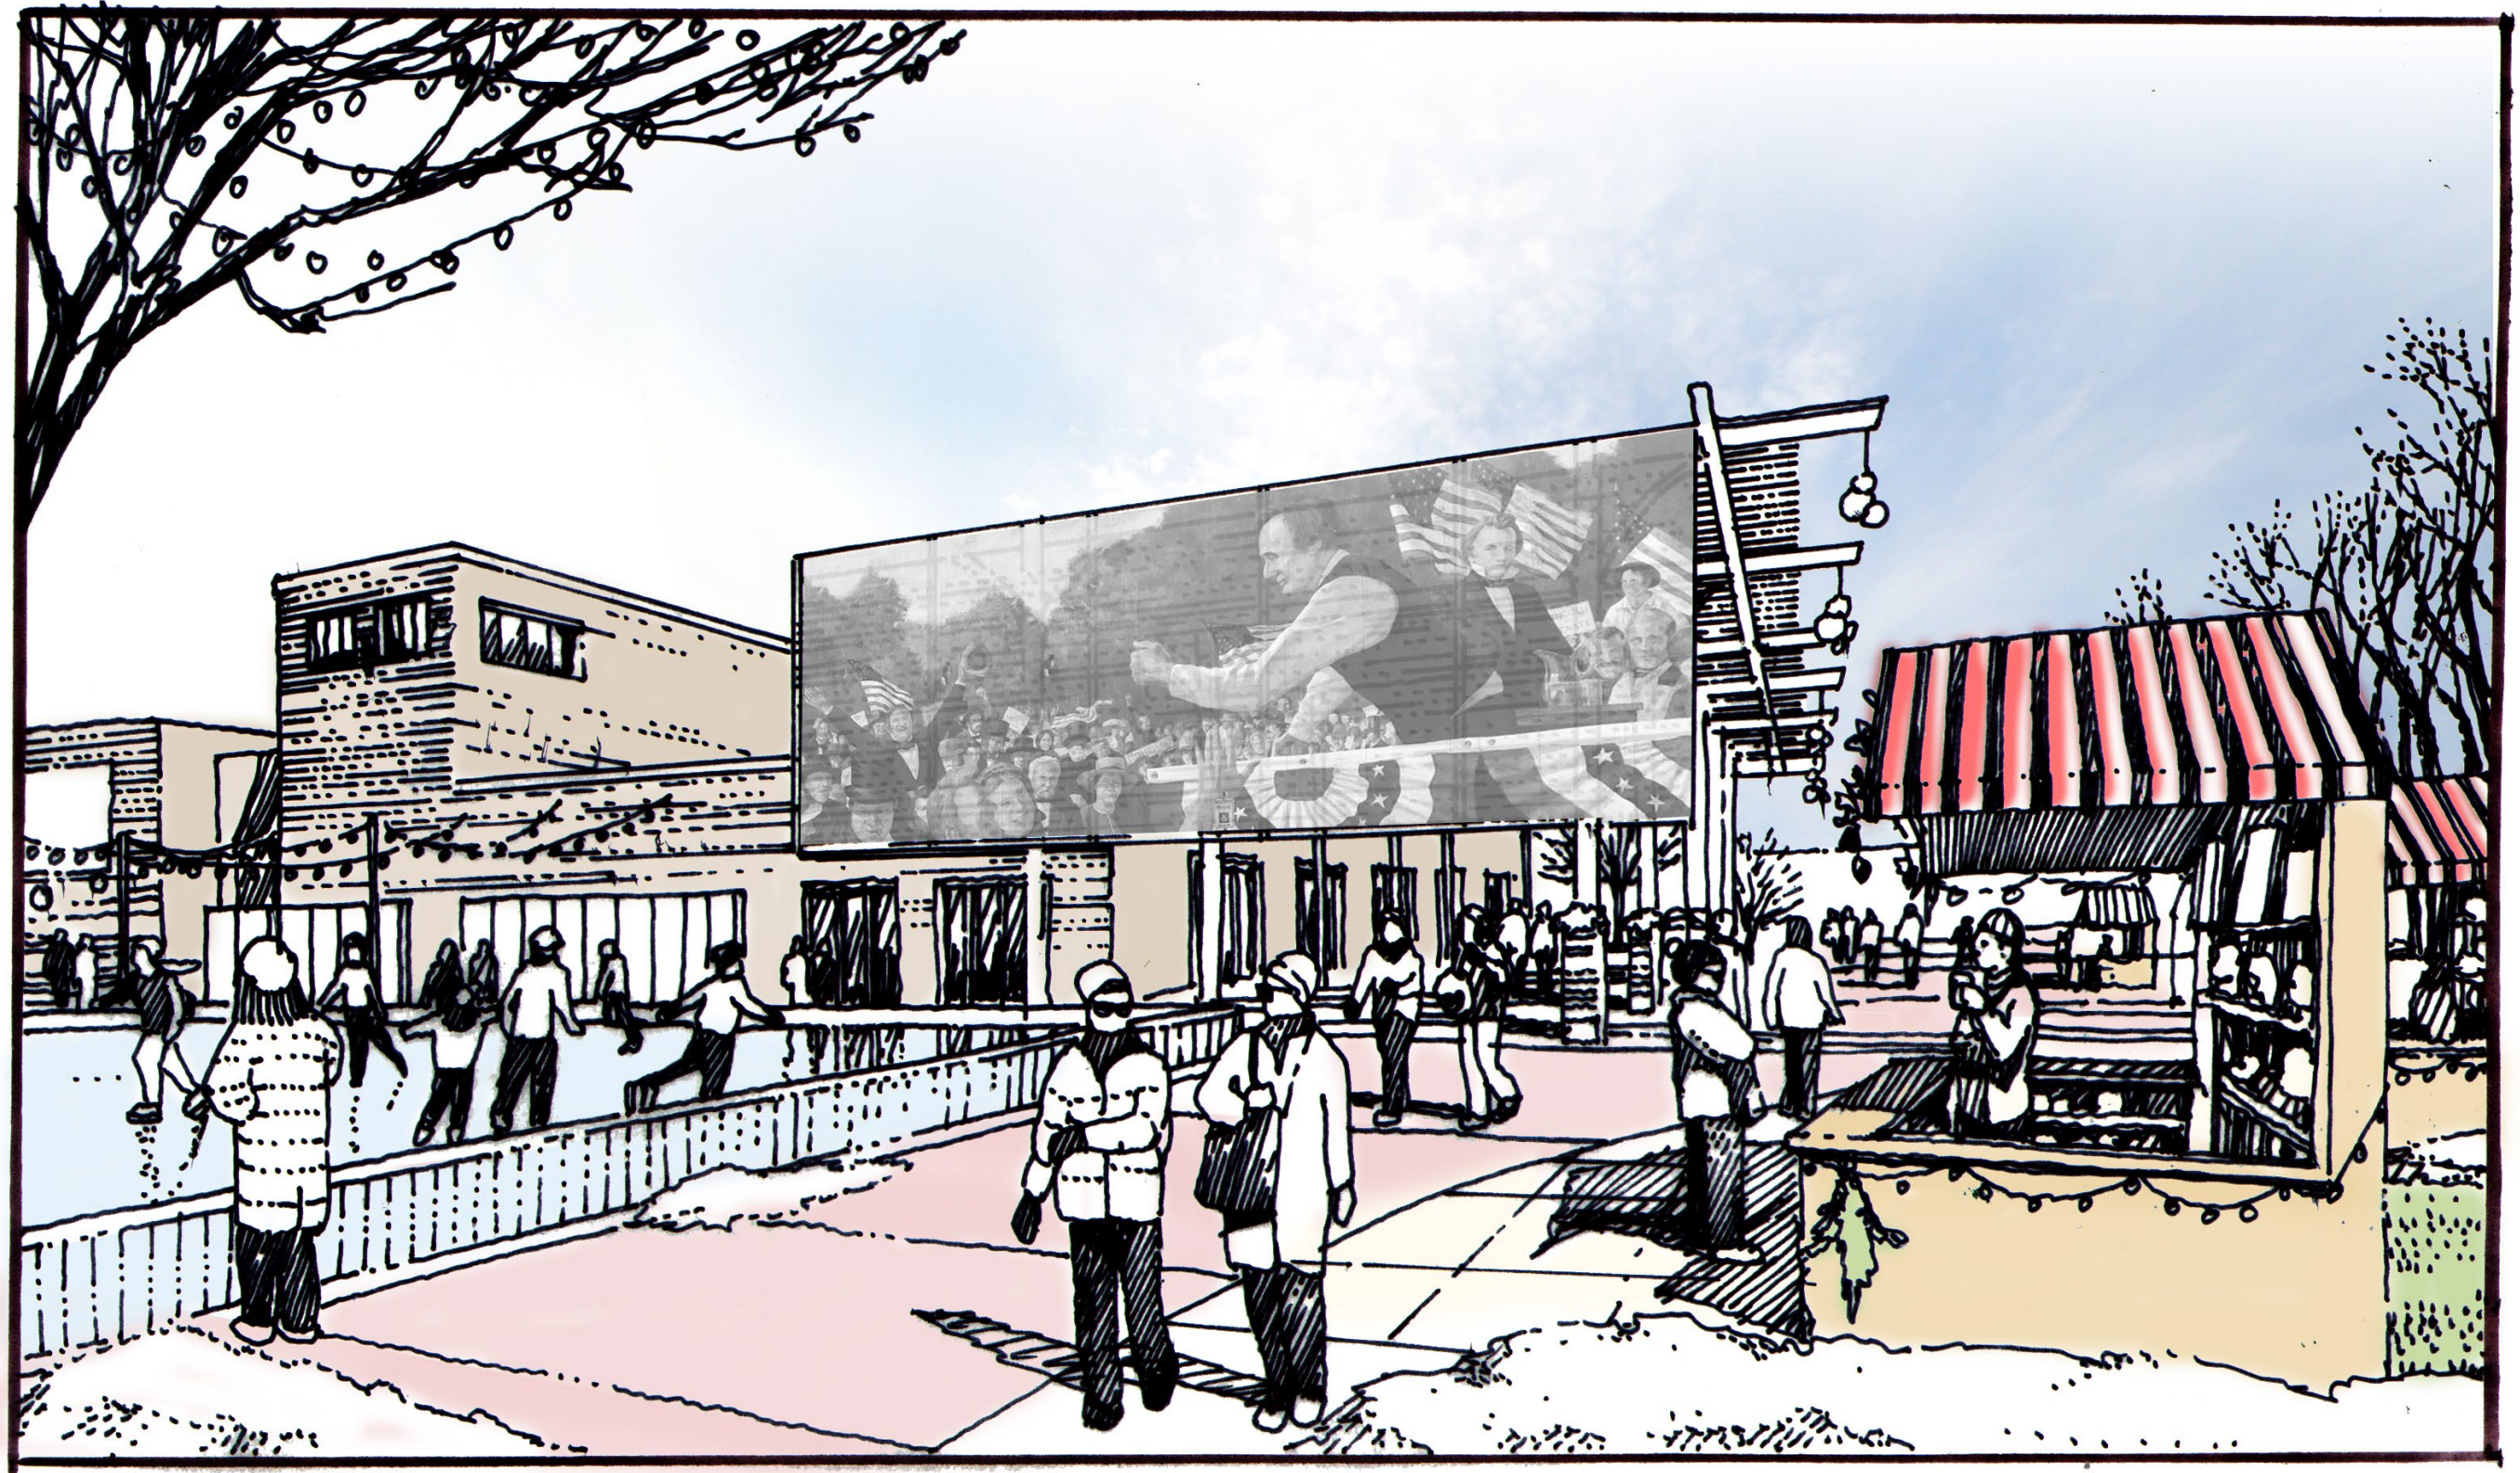

Limestone piers and steel detailing inspired by the historic aqueduct architecture act as a storytelling opportunity while shading canopies over the patios can display museum-like exhibits throughout the year.

"EVENT SPACE"
"TRADITIONAL"

Continuing to build upon the radial and circular design elements of Washington Square, this option explores the notion of providing a gathering spaces as a central figure of the plaza, with the park acting as the ideal backdrop for the plaza.
